Commissioner,

This Petition is filed in response to the Notice of Abandonment for the above referenced application dated 07/31/2006.

The issue fee for the subject application was submitted via facsimile on 06/26/2006 with the appropriate Part B Fees Transmittal and payment via a PTO-2038.

Upon receipt of the notice of 07/31/2006 undersigned counsel immediately called Examiner Derrick Ferris to determine why the application had been abandoned. Examiner Ferris could not identify a reason for the abandonment indicated that the present petition should be filed.

A companion application, serial no. 10/094,232 also pending with art unit 2916 on which the issue fee was transmitted on the same day was also subject to a notice of

Certification under 37 C.F.R. §1.10

abandonment and contact with Examiner Brian Roberts on that application also did not result in identification of a reason for abandonment.

As evidence in support of the present petition please find enclosed copies of

1. the transmittal letter forwarding the fees transmittal dated 06/26/2006
2. the Part B – Fees Transmittal which was executed on 06/26/2006
3. the executed PTO-2038 Issue Fee Payment that was provided for payment of the issue fee for the subject application.
4. the facsimile confirmation generated by counsel's fax machine
5. the confirmation fax received from the USPTO for the transmission, and
6. Office communication dated 07/31/2006 transmitting a notice of abandonment

The applicants respectfully contend that the application is not in fact abandoned and request a withdrawal of the holding of abandonment as the appropriate course of action. The filing of papers necessary to effectuate payment of the issue fee was made on 06/26/2006 with appropriate certification of the transmission of those papers by facsimile as required by 37 C.F.R. 1.8 and confirmation of receipt of the fax transmission was made by the USPTO.

If additional information is required, please contact the undersigned as counsel of record.

Respectfully submitted,
